Portfolio

FIBER OPTIC CABLE TECHNICIAN AT DATAFLOW TELECOMS (Practical Training)

Aug – Sept 2025

Worked with my team in troubleshooting fibre cable connections also applying principles of computer networks to install routers and switches so as to provide internet and connect client's devices seamlessly.

DATABASE MANAGEMENT AT MKOMBOZI INFO TECH (Practical Training)

Aug – Sept 2024

Worked closely with my seniors on managing the databases that were responsible for the BusPoa mobile app.

LEADERSHIP EXPERIENCE.

General Secretary, Bagamoyo Secondary School

During my HighSchool studies i was privileged with an opportunity to be the General Secretary of the student's government at Bagamoyo Secondary School whereby i was responsible for ensuring discipline and order is observed and implemented as it should be. Also i managed to strengthen the relationship between my fellow students and the school's staff in which before it was weak and based on fear.

Class Monitor, Zawadi Secondary School

I served as class monitor when i was in form 1, 2 and 4 and i managed to achieve making my class being most loved class by teachers and a well performing class over the other classes.

PROJECTS.

UDSM Alumni Platform:

This is a platform that aims at connecting the University Alumni together through Charities, events, showcasing Alumni Businesses, providing mentorship to those who are in need of it and so much more. Click here to visit it.

MaonoYetu:

This is a project that aims at digitalizing Vikoba so that processes can be automated, enhance transparency and digital records storage. Click here to visit it.
